We are very pleased to hear of your interest in the New Beginnings Aftercare Program. We have listed below some information regarding our residency program and we ask that you prayerfully consider your commitment before moving forward. After you have reviewed all information, please place your signature and IDOC number at the bottom of the page indicating your agreement and interest in receiving an application.

1. **10 month program.** You will be required to commit to 10 months and agree to adhere to all of the rules and regulations of the program to graduate. If you are interested in working hard to change your life, we are interested in learning more about you.
2. **God is our focus.** We are a Christ-centered aftercare program designed to work with Christian middle-aged men who want to further their relationship with Jesus Christ and the Body of Christ. It is important that we receive your personal testimony regarding your Born again experience...included in the application.
3. **Biblically guided.** As stated, we are a Bible-based, Christ-centered program. We have a variety of practical life-skill groups such as relapse prevention, communication skills, GED and money management.
4. **Structured and disciplined.** We strongly believe in providing a structured environment which involves both classroom teaching in addition to on-campus work and community service. Upon successful completion of 5 months, we will assist you in your preparation and search for employment.
5. **Rules and regulations.** Please thoroughly review the enclosed rules and regulations as they are strictly enforced and are part of a contract you will be expected to sign upon acceptance. NBAC reserves the right to make changes to these rules and regulations at any time and upon explanation, you will be required to adhere to the changes.

We take our investment and commitment to each and every person accepted to our program very seriously. We ask for that same investment and commitment in return. Please sign below and return to our office. **We look forward to hearing from you when you are within 6 months of your release date.** May God richly bless you.
